COMMUNITY DEVELOPMENT GARDENER

required for:

Together We Grow project

Little spaces reap big rewards.

Could you support and encourage groups of local residents to meet together to plant and nurture small growing spaces in the Townhill Park and Harefield areas of Southampton?

TWICS has funding for a two year project from the People's Health Trust Active Communities programme, with additional support from SO18 Big Local.

We seek an enthusiastic, friendly person, who can bring their gardening knowledge and skills to support local residents to successfully grow plants suitable for their areas (including ones that are edible and that encourage bio-diversity).

This is a part-time post, flexible hours, averaging 30 hours worked over a month.

For the job description and an application form, send an email to Barbara Hancock: bhancock@twics.org.uk.

Further information from TWICS on 02380 671111 or text or call 07403 608917.

Closing date for applications: 5pm on Wednesday 31st May 2017.

Interviews: Friday 9th June 2017.

TWICS is a Registered Charity (108597) and a Company Limited by Guarantee (3863035).
